Where can I access the MoboLink MDM REST API documentation?

MoboLink MDM REST API documentation is included as part of your MoboLink installation.

You can use a web browser and browse to the following URL to access your own REST API documentation.

https://<MoboLink_URL>/manual/

Please replace <MoboLink_URL> with your actual MoboLink server address.
Example URL for Cloud Subscription Customers:

https://mycompany.mobolink.ute.com/mycompany/manual/

Example URL for On-Prem Customers:

https://10.1.3.4/manual/
